Arran Theatre and Arts Trust.

The aims of the Trust are to promote and develop
the visual, literary and performing arts on Arran
for professionals and amateurs alike and also
include Arran Arts Heritage Trail, Music Arran,
McLellan Poetry Competition and the
McLellan Arts Festival.

Our artists have come together once again to
share their love and passion for their art with
you as part of the Arran Open Studios weekend.

This brochure lists a variety of studios and
venues where art is being created and
displayed on our beautiful island.

Our invitation is extended to all of you...

Whether you are already enjoying art,
or maybe just a wee bit curious...

Whether you already love and feel inspired
by the Isle of Arran...

Or maybe this is your first time...

Whether you want to purchase the object of
your desire, see how the artists work, browse
the studios and creative places - or even if
you want to just pop in for a wee chat
- you are very welcome!

Unfortunately not all studios can
take cards or contactless payment,
so please consider bringing adequate
cash if you think you may wish to buy.

WHOAI!

WHAT'S HAPPENING ON ARRAN

KA278 is the culmination of over 6 months of compiling interesting, thought-provoking information, historical memoirs and creative input from island residents and visitors.

Imagine *National Geographic*, *Readers Digest* and *"Take a Break"* magazines, then 'Arran-ising' all the content into one big book. That, essentially, is KA278.
